

Press release by Gebr. FALLER GmbH

## Changing Manager in Sales and Marketing Department at Gebr. FALLER GmbH

Gütenbach/Black Forest, January 2020 – **As from today Norbert Trommeter is new Sales Manager at Gebr. FALLER GmbH.**

The 43 year old colleague has been Key Account Manager in the company since 2010. Previously he was – among other positions – part of sales staff at Marabu and Mattel. He is best familiarized with the market and company procedures, and has excellent connections in the trade. Along with the distribution within Germany he will in future also be responsible for the areas Customer Service and Miniature Worlds exhibition, which are both located right on our site of Gütenbach in the Black Forest.

Norbert Trommeter takes the place of Stefan Rude. The present Marketing and Sales Manager will leave the company at the end of February after 14 years of successful activities, to turn to new vocational projects. In future it is Managing Shareholder Horst Neidhard who will be responsible for the Marketing area.

### **Gebr. FALLER GmbH at a glance:**

Gebr. FALLER GmbH is BIG IN SMALL THINGS. The company has been manufacturing building kits and matching accessories suited to scale modelling for over 70 years now. Along with its own products FALLER also markets further brands of renowned manufacturers. Main trading area is Germany and the other European countries. The company with a long tradition was established in 1946 and has its headquarters in South Black Forest, in the vicinity of Furtwangen. It is on these premises that all products are conceived, designed, manufactured, and marketed. Worldwide.
