General Prohibition of Use

Materials, substances or preparations that are subject to a legal prohibition of use may not be contained in the ordered product. In case statutory limit values are set for materials and substances, the delivered articles must comply with these limit values.

Documentation and verification

Upon request, the supplier shall provide information, in particular a safety data sheet (SDS), concerning the materials used in the ordered article.

The materials used for product and packaging are odourless (no smell of plastic, solvents or similar vapours).

Exception provision

Exceptions to this declaration are only admissible in agreement with Gebr. FALLER GmbH and must be documented in writing in individual cases and released by Gebr. FALLER GmbH.
